HOW TO MAKE CANDY CLAY BROOCHES

1. Melt 1/4 cup candy melts (about 20) for 1-1/2 minutes in the microwave, then stir in 2 tablespoons of prepared [SugarVeil Icing](#) mixture to form a paste.

Add SugarVeil to candy melts and make candy clay!

2. Form a circle of the "clay." Cut a circle from the [Brooches Confectioners' Mat](#) and lay it over the clay.

3. "Raise" the the "stones" by pressing onto the lines of the brooch with a toothpick. Add very tiny "beads" with the [AirPen Piping Dispenser](#), if desired.
